

Katherine Mannino

Kathi brings to TLC Real Estate and Property Management a deep commitment to service Sellers, Buyers, Owners, and Tenants. She is a seasoned Real Estate Broker of over 16 years in the San Diego and Riverside marketplace.

Although Kathi has been Co-Owner/Broker with TLC Real Estate and Property Management since 2006, her exposure to the world of real estate development began early in her career as the office manager for a large property management company. There she held a prominent position that led to her becoming a licensed Real Estate Broker. The skills that she developed while managing residential properties, and furnished vacation rentals, and employed as a retail brokerage secretary to ten prominent Commercial Real Estate agents, together with her administrative abilities, have been a tremendous asset to owning her real estate business.

She is known and respected in the real estate community as a diligent and efficient broker who takes pride in the level of attention to detail that she affords to her clients. In addition to her deep knowledge of the real estate market, Kathi's kindness and affability has transformed many of her clients into friends, who have enriched and strengthened her bond to the Riverside area.

Raising two children instilled in her a certain courage and fortitude, mixed with humor and wisdom, which she offers to others generously. She is attentive to detail, a great communicator, and up-to-date with the latest technology to keep track of the fluctuating market, trends and tools necessary to be a dedicated Real Estate Professional.

Kathi holds a Bachelor of Business Administration Degree with an Emphasis in Real Estate. She also speaks Italian and Sicilian. She is also familiar with Spanish.
